

Reviews From Our Other Courses

NICOLE GIRON, CVT, VTS (ANESTHESIA/ANALGESIA)

I just wanted to share my exciting news with you, I passed my exam and am now a VTS in [anesthesia](#) and analgesia! I wanted to thank you for the Narkovet course, which was extremely helpful in preparing for the exam!

Thank you!

CHANTAL FARAUDO, CVT, CVPPA

This opportunity for anesthesia and analgesia education, as a veterinary technician/nurse, is unprecedented.

KIM LEWIS, RVT

This course has been amazing! Thank you for making this possible! The support that you have given us is uplifting and energizing!

JENNA MURRAY, CVT

I really enjoyed the program. It was challenging and fun and provided me with some in-depth knowledge that I did not already have. I definitely enjoyed the interactive portions because I am a big hands-on learner! The diversity in speakers was great!

NATALIE ZELTNER, CVT

I would recommend anyone interested in furthering their anesthesia knowledge to look no further than this course.
